EDUCATION

Ph.D – Disability Research

Linköping University Jan 2022 — Present

- Open Science and Evidence Synthesis In Special Education

M.Sc. – Work and Organizational Psychology

Linnaeus University 2019 — 2021

- Systematic review of age discrimination in hiring

B.A. – Psychology

University of Zadar 2016 — 2019

WORK EXPERIENCE

Editorial Assistant and Reproducibility Coordinator at [Meta-Psychology](#)

Linnaeus University 2021 — Present

- Conducted over 35 reproducibility checks of statistical analyses of various complexities, from simulations to multilevel models and meta-analyses.
- Developed guidelines for reproducibility checks used by other reproducibility reviewers, and created guidelines for the journal's reproducibility requirements.
- Reviewed adherence to preregistrations of the submitted articles.

Research Assistant

Linnaeus University 2021 — 2022

- Screened, extracted, synthesized and assessed risk of bias of original studies and systematic reviews in systematic and meta-reviews

TEACHING AND TALKS

- Teaching and material development for master students: systematic reviews, open science and reproducibility in statistics (LiU, 2024; 2025)
- Introduction to meta-analysis for Psychology Students at University of Split
- Seminar about Computational reproducibility checks in scientific publishing at the Stanford Meta-Research Innovation Center in 2023 (Talk available [here](#); [slides](#))
- [Seminar/workshop](#) on preregistration and computational reproducibility mistakes for the Danish Reproducibility Network in 2025
- SIPS workshop on computational errors in reproducibility checks (Padova 2023)
